#### Notes:

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting and at any adjournment of it. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to

a different share or shares held by that member. If a proxy appointment is submitted without indicating how the proxy should vote on any Resolution, the proxy will exercise his discretion as to whether and, if so, how he votes.

2. A proxy need not be a member of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Capita Asset Services on 0871 664 0300. Members may also appoint a proxy through the CREST electronic proxy appointment service as described in note 10 below.
3. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand by Capita Asset Services at 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 3.00 p.m. on Wednesday 25 March 2015 together with, if appropriate, the power of attorney or other authority (if any) under which it is signed or a duly certified copy of that power or authority.
4. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in note 10(a) below) will not prevent a member attending the meeting and voting in person if he/she wishes to do so.
5. A vote withheld option is provided on the form of proxy to enable you to instruct your proxy not to vote on any particular Resolution, however, it should be noted that a vote withheld in this way is not a 'vote' in law and will not be counted in the calculation of the proportion of the votes 'For' and 'Against' a Resolution.
6. To be entitled to attend and vote at the meeting (and for the purpose of the determination by the Company of the votes they may cast), members must be registered in the register of members of the Company at 5.00 p.m. on Wednesday 25 March 2015 (or, in the event of any adjournment, 5.00 p.m. on the date which is two days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
7. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
8. If a member submits more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
9. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (i) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information or (ii) the answer has already been given on a website in the form of an answer to a question or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. Please note the following:
  - (a) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message,

regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in this notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- (b) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (c) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not so in relation to the same shares.
12. As at 2 March 2015 (being the last business day prior to the publication of this notice) the company's issued share capital consists of 20,625,994 ordinary shares of £0.001 each, carrying one vote each. Therefore, the total voting rights in the Company as at 2 March 2015 are 20,625,994.
13. The following documents will be available for inspection during normal business hours at Heron Tower, 35th Floor, 110 Bishopsgate, London, EC2N 4AY from Tuesday 3 March 2015 (Saturdays, Sundays and public holidays excepted) until the AGM ends:
- Copies of the executive directors' service contracts;
  - Copies of letters of appointment of the non-executive directors
14. A copy of this notice, and other information required by section 311A of the Companies Act 2006 can be found at [www.attraqt.com](http://www.attraqt.com)

## EXPLANATORY NOTES

The notes on the following pages give an explanation of the proposed Resolutions.

Resolutions 1 to 10 (inclusive) are proposed as Ordinary Resolutions. This means that for each of those Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolutions 11 and 12 are proposed as Special Resolutions. This means that for each of those Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

### **Report and Accounts (Resolution 1)**

The directors of the Company must present the accounts to the meeting.

### **Re-election of directors (Resolutions 2 to 7)**

The Company's articles of association requires that all newly appointed directors retire at the first annual general meeting following their appointment.

At this meeting, Andre Brown, Ivor Dunbar, Edward Ewing, Robert Fenner, David Stirling and Daniel Wagner will retire and stand for re-election or election as directors. Having considered the performance of and contribution made by each of the directors standing for re-election the board remains satisfied that the performance of each of the relevant directors continues to be effective and to demonstrate commitment to the role and, as such, recommends their re-election.

### **Reappointment and remuneration of auditors (Resolutions 8 and 9)**

Resolution 8 proposes the reappointment of BDO LLP as auditors of the Company and Resolution 9 authorises the directors to set their remuneration.

### **Directors' authority to allot shares (Resolution 10)**

The purpose of Resolution 10 is to renew the directors' authority to allot shares.

The authority in paragraph (a) will allow the directors to allot new shares in the Company or to grant rights to subscribe for or convert any security into shares in the Company up to a nominal value of £68,753 (6,875,300 ordinary shares), which is equivalent to approximately one third of the total issued ordinary share capital of the Company as at 2 March 2015. There is no present intention of exercising this general authority.

The authority in paragraph (b) will allow the directors to allot new shares or to grant rights to subscribe for or convert any security into shares in the Company only in connection with a pre-emptive rights issue up to an aggregate nominal value of £137,506 (13,750,600 ordinary shares), which is approximately two-thirds of the Company's issued share capital as at 2 March 2015 (inclusive of the nominal value of £68,753 sought under paragraph (a) of the Resolution). This is in line with corporate governance guidelines. There is no present intention to exercise this authority.

As at 2 March 2015, the Company did not hold any shares in treasury ordinary shares in treasury, which represents approximately 0 per cent. of the total ordinary share capital in issue at that date.

If the Resolution is passed, the authority will expire on the earlier of 26 June 2016 (the date which is 15 months after the date of the Resolution) and the end of next annual general meeting of the Company in 2016.

## **Disapplication of pre-emption rights (Resolution 11)**

If the directors wish to allot new shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) company law requires that these shares are first offered to existing shareholders in proportion to their existing holdings. There may be occasions, however, when the directors will need the flexibility to finance business opportunities by the issue of ordinary shares without a pre-emptive offer to existing shareholders. This cannot be done unless the shareholders have first waived their pre-emption rights.

Resolution 11 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities and the grant of share options, the authority will be limited to the issue of shares for cash up to a maximum number of 1,031,300 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which is equivalent to approximately 5 per cent. of the Company's issued ordinary share capital as at 2 March 2015. The Company undertakes to restrict its use of this authority to a maximum of 7.5 per cent. of the Company's issued ordinary share capital in any three year period. Shareholders will note that this Resolution also relates to treasury shares and will be proposed as a Special Resolution.

This Resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. If given, the authority will expire at the conclusion of the next annual general meeting of the Company in 2016 or, if earlier, 26 June 2016 (the date which is 15 months after the passing of the Resolution).

## **Authority to purchase own shares (Resolution 12)**

In certain circumstances, it may be advantageous for the Company to purchase its own shares and Resolution 12 seeks the authority from shareholders to continue to do so. The directors will continue to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority.

Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, save that the Company may hold in treasury any of its own shares that it purchases pursuant to the Act and the authority conferred by this Resolution. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

The Resolution specifies the maximum number of Ordinary Shares that may be acquired (approximately 10 per cent. of the Company's issued ordinary share capital as at 2 March 2015) and the maximum and minimum prices at which they may be bought.

Resolution 12 will be proposed as a Special Resolution to provide the Company with the necessary authority. If given, this authority will expire at the conclusion of the next annual general meeting of the Company in 2016 or, if earlier, 26 June 2016 (the date which is 15 months after the date of passing of the Resolution).

The directors intend to seek renewal of this power at subsequent annual general meetings.
